Join St. Edith in creating welcoming homes for families in need by:

- ✦ Adopting a room at the Samaritas Family Center in Westland which offers emergency housing for two-parent families, single mothers or fathers with children and pregnant women; It is one of the only shelters in Michigan that allows a two-parent family to stay together.
- ✦ Providing needed items for newly arrived refugee families as they flee the violence and unrest of their homelands and begin a new life in Michigan.

To create welcoming homes, we will need people who...

- ... like to decorate and have a vision for creating warm, welcoming spaces
- ... like to patch walls, paint, make, and refurbish furniture
- ... like to shop and are good at getting deals
- ... are crafty and can make pillows, throw blankets, and other items families will cherish
- ... have a knack for fundraising
- ... will pitch in with driving, sorting, and organizing
- ... want to help families in need

Paint walls with bright, uplifting colors
